March 10, 2020

In response to grown concern for the health of senior citizens regarding COVID-19, senior meal sites in Chelan, Entiat, and Leavenworth will modify their services to avoid large group gatherings. This service modification is in place for the following two weeks. The health threat related to the virus will be re-evaluated at that time.

OCTN has established emergency measures which offers seniors a designated time in which they may arrive at their local Center and pick up a meal to take home. We are asking all seniors interested in taking a meal home to please call their Center to reserve a pick-up time.

The Wenatchee Valley Senior Activity Center is closed at this time. They will re-evaluate March 23.

All Okanogan County and Lincoln County meals are operating on their regular schedule at this time. We will monitor the health risk to seniors in these counties and stand ready to implement emergency procedures if necessary.

The home-delivered meal program is operating as usual at all locations served by OCTN.

To arrange a time for meal pick-up, call:

Chelan and Entiat senior meals	509-888-4440
Leavenworth senior meals	509-548-6666

For more information about the modified senior meal programs
